

- Create additional safe pedestrian crossings where people cross the road:
 - Layhill Rd (MD 182) at Greenery Lane (between the Glenmont Metro driveway and the Glen Way Gardens Condominiums)
 - Randolph Rd at Judson Rd
 - Randolph Rd at the apartment drive entrance between the Glenmont Circle and Glenallan Ave intersections

- Remove permissive right turn lanes:
 - At the Randolph Rd/Georgia Ave intersection
 - At the Layhill Rd/Georgia Ave intersection

- Replace all unbuffered sidewalks with buffered sidewalks:
 - On Randolph Rd, from Glenmont Local Park to Kennedy High School
 - On Georgia Ave, from Mason St to Denley Rd
 - On Layhill Rd, from Georgia Ave to Glenallan Ave
 - On Glenallan Ave, from Georgia Ave to Randolph Rd

- Build the separated bikeways in the Montgomery County Bicycle Master Plan:
 - On Randolph Rd, on the north side from Glenmont Local Park to Kennedy High School
 - On Georgia Ave, on both sides from Mason St to Denley Rd
 - On Layhill Rd, on both sides from Georgia Ave to Glenallan Ave
 - On Glenallan Ave, on both sides from Georgia Ave to Randolph Rd

- Retime the traffic signals across Randolph Rd or Georgia Ave at Randolph Rd/Georgia Ave, Randolph Rd/Glenmont Circle, and Judson Rd/Georgia Ave/Layhill Rd
 - pedestrian signal on recall
 - a leading pedestrian interval
 - a longer walk sign (minimum of 7 seconds is not good enough)
 - enough time in the pedestrian phase for a person walking at 3.0 ft/second to cross the whole intersection (because people who use wheelchairs, people with small children, and people with shopping bags routinely cross)

- Create complete intersections for pedestrians:
 - Mark/signalize all 4 legs of the Randolph Rd/Glenmont Circle intersection
 - Mark/signalize all 4 legs of the Judson Rd/Georgia Ave/Layhill Rd intersection

- Add automated traffic enforcement:
 - Red light cameras at the Randolph Rd/Georgia Ave, Randolph Rd/Glenmont Circle, and Judson Rd/Georgia Ave/Layhill Rd intersections
 - Speed cameras on Randolph Rd at the Glenmont Shopping Center and at Kennedy High School, and on Georgia Ave at the Glenmont Shopping Center and the Glenmont Metro station
